

One day, one of Bozana's Skojo's friends told her she was 'a good poor'. Bewildered by the words at first, Bozana gradually came to realize they really did describe her - someone who was never overcome by adversity, but who fixed up her hair, put on a little lipstick and her 'game face' to work her way out of any difficulties that fate tossed her way. She realized it was a strategy for living that could apply to any situation.

In *Don't Get Mad, Get Successful*, Bozana shares stories from her life and talks about how she did overcome the difficulties, the ups and downs - the loss of a parent, professional and personal betrayals - to emerge as a successful business owner and loving mother of a wonderful son. Her story illustrates a host of practical life lessons.

- How to get beyond past hurts and focus on what's productive
- You get to choose what defines you - so take charge
- Effective and practical strategies for taking on those big, long term projects
- Keep your eye on the end game: success!

Let her show you how to turn those negatives into positive stepping stones on the road to a happy and successful life.
Remember - Don't Get Mad, Get Successful!
